Not quite - TST is a religion (sounds crazy, I know..). The main question here is if you can \*defame\* a religion.  
 Will work on cutting Greaves' remarks down.

Fabulous stuff here! Wow.

A couple of thoughts:

We need to make it easier to follow — it's a complicated story with so many characters. It's really a story about a lawsuit more than it is about religion. But the suit hinges on the issue of whether TST is a religion. Do I have that right?

If so, can we set that up as the lede and then from there go into the backstory, the factions, etc.? "This isn't the first time TST has sued..." (see google doc)

Greave is great but I think we have too many quotes from him, making the narrative even harder to follow. Can you trim those down?

Once we get the story on track we'll be in good shape. Thanks for great work!

Happy to talk phonely if you like.

Best,

Nancy

OK, it's at 3,274 words. Whew...have factchecked until I am buggy-eyed, so I need other eyes on it, obviously. Enjoy.
